

Tasfia Zaman

Adjunct Lecturer | AI Researcher

✉ tasfiazamanadrita@gmail.com 📍 Dhaka, Bangladesh 🗣️ [kitkiti](#) [in](#) [tasfia-zaman-adrita](#)

Profile

Summary: Adjunct Lecturer at BRAC University and AI researcher interested in language-model unlearning, knowledge editing, mechanistic interpretability, and representation learning. BSc in Computer Science and Engineering from BRAC University with a CGPA of 3.99/4.00.

Education

BRAC University , Computer Science and Engineering - Member of the Robotics Club of BRAC University and Junior Executive at the BRAC University Community Service Club. - Participated in Inter University Programming Contests. - Named to the VC's List in 10 of 11 semesters and received a 75% merit-based scholarship.	Dhaka, Bangladesh 2022 – 2026
Feni Girls' Cadet College , Science - Served as Junior Prefect in 2018 and House Cultural Prefect in 2019. - Received Talent Pool Scholarships for JSC and SSC and a General Scholarship for HSC. - Named Senior Group Best Athlete in 2019 and reached the quarter-finals of the 13th National English Parliamentary TV Debate Competition in 2018.	Feni, Bangladesh 2014 – 2020

Experience

BRAC University , Adjunct Lecturer Teaching undergraduate classes in the Department of Computer Science and Engineering.	Dhaka, Bangladesh June 2026 – present 2 months
Independent Research Collaboration , Research Assistant Worked with a Germany-based Research Associate on knowledge editing in large language models through associative-memory-based modifications to Transformer architectures.	Remote
BRAC University , Student Tutor (Undergraduate TA) Provided structured academic support for students in 100- and 200-level CSE courses. - Delivered approximately 15 hours of support per week through lab assistance and one-to-one consultations. - Developed individualized tutoring plans and guided students on assignments and quizzes. - Tracked student progress, maintained contact-hour records, and reported regularly to an academic supervisor.	Dhaka, Bangladesh Nov 2024 – May 2025 7 months

Volunteer

BRAC University , Tutor, Project Srijon Contributed to a civic-engagement initiative supporting underprivileged students in grades 6-8. - Facilitated lessons on basic ICT, safe internet use, social awareness, and adolescent well-being. - Supported small-group and one-to-one learning through discussion, roleplay, project work, and interactive activities.	Savar, Bangladesh

Projects

HyperCite - AI Research Summarization & Collaboration Hub

Collaborative research platform for grounded AI assistance, paper organization, and source-anchored citation verification.

- Ranked first among 120+ projects at the BRACU CSE471 System Analysis and Design Project Showcase in Fall 2025.
- Built a hybrid RAG pipeline combining MongoDB Atlas vector search with lexical fallback and cross-paper chunk diversification.
- Implemented page-level, excerpt-anchored citations and real-time collaborative annotation with Liveblocks.
- Built with React, TypeScript, Node.js, Express, MongoDB, Supabase, and Liveblocks.

Mewply - Music Streaming Platform

MERN music-streaming platform with separate user, administration, and backend applications.

- Designed REST APIs following MVC patterns with JWT and Bcrypt authentication.
- Built responsive audio playback and playlist management.
- Integrated Cloudinary for media storage and streaming.

HambaMart - Livestock E-commerce Platform

Django marketplace supporting buyers, sellers, administrators, products, transactions, and inventory workflows.

- Designed the EER diagram and relational database schema.
- Implemented filtered search using Django ORM.
- Added role-based access control and a template-driven frontend.

Awards

System Analysis and Design Project Showcase

Ranked first among 120+ teams for HyperCite.

BRAC University
2025

Thesis Poster Presentation

Placed second among 150+ teams.

BRAC University
2025

Next Gen Ideathon

First runner-up.

Bioinformatics Track
2025

VC's List

Named to the VC's List in 10 of 11 semesters.

BRAC University
2022-2025

Merit-Based Scholarship

Received a 75% tuition scholarship based on academic performance.

BRAC University
2023-2025

Skills

Languages: Python, C/C++, Java, JavaScript/TypeScript, SQL, HTML/CSS, LaTeX, Bash

Frameworks and Libraries: PyTorch, Hugging Face Transformers, NumPy, Pandas, JAX, React, Node.js/Express, Django

Tools and Databases: Git, Postman, MongoDB, MySQL/MariaDB, Firebase, Cloudinary, Supabase, Liveblocks

Certificates

IELTS Academic

Mar 2026

Overall Band 8.5 - Listening 9, Reading 8.5, Writing 8, Speaking 8.

Languages

Bangla

Native

English

Fluent; IELTS Academic Overall Band 8.5

Interests

AI Research: Language-model unlearning, knowledge editing, mechanistic interpretability, representation learning
